

District 4 Book of Current Practices

Area 15, South Florida

Introduction

This introduction is to help you understand the three different documents we use in District 4 to document our policies and procedures. These three documents are the Legacy of Service, Current Practices, the Book of Motions.

The Legacy of Service is the document that has the job description of each position. It also contains the duties that person is responsible for in whatever position they have been elected to. The District 4 panel position elections are held in October every two years. Parts of the Legacy of Service may be changed by person filling the position, but policies (i.e., passed motions) listed in the Legacy of Service may only be changed through a motion to the district body.

Current practice document lists all passed motions that pertain to the current business procedures that take place in District 4. Each of these motions is listed under the position that it affects for ease of locating.

For example, if you are looking for a current practice that pertains to the District Recording Secretary you would go to the Recording Secretary section. In that section you will find all motions passed that refer to the duties and responsibilities that the Recording Secretary should be practicing currently.

The Book of Motions is the last document which has all the motions that have been brought to the body since record keeping began. Each motion has a number and a date. The motions are listed in numerical / date order. This document includes passed, failed, postponed, and withdrawn motions and is simply a historic record. Just because a motion in this document is recorded as passed does not necessarily make it a current practice. Starting in January, 2023 the Book of Motions will include the background information associated with the motion

Hopefully this introduction will provide the reader with information on how to use these three documents. It is our responsibility as the Current Practices committee to make these documents as accessible and understandable as possible. Please contact us with any questions.

Motion B

Submitted by Alan T., Current Practice Committee Chair

The Current Practice Committee requests revisions to its Scope and Practice document as follows.

CURRENT SCOPE:

Maintains the history of the submission and disposition of all District 4 motions in “THE DISTRICT 4 BOOK OF MOTIONS” and updates the document “DISTRICT 4 CURRENT PRACTICES” to reflect the appropriate changes. And updates the LEGACY OF SERVICES to reflect any changes made by the current panel.

Current Practice Scope Amendment 05/21/2011

That the scope of the District Current Practices Committee be amended to include “The committee is also responsible for correcting any grammatical, numerical or punctuation errors. Any other changes that may affect or impact a current practice or motion must be presented to the body of District4 General Services for approval.

CURRENT PROCEDURE: The Current Practices Committee is an un-budgeted committee. The committee holds quarterly meetings to conduct its responsibilities. It reports activities to the District Committee and provides the Treasurer and the District committee with any requests for funds. Chairperson attends Area Quarterly/ Assemblies.

PROPOSED SCOPE:

Maintains the history of the submission and disposition of all District 4 motions in “THE DISTRICT 4 BOOK OF MOTIONS” and updates the document “DISTRICT 4 CURRENT PRACTICES” to reflect the appropriate changes. Also updates the LEGACY OF SERVICES to reflect any changes made by the current panel. The committee is also responsible for correcting any grammatical, numerical or punctuation errors. If the Current Practice document contains practices not being performed, practices which have been replaced by subsequent motions, or one-time practices erroneously included in the document, the Current Practice Committee will present such items to the General Services body for review. If any member feels the items should remain in the Current Practice document, they may make a motion to reaffirm or modify the practice at the next regularly scheduled District 4 Business Meeting. If no motion is presented, or if presented and fails to pass, the Current Practice Committee will delete the practice from the Current Practice document. All actions or non-actions will be reflected in the Recording Secretary’s minutes and duly footnoted by the Current Practice Committee in the Book of Motions document. Motions removed from the Book of Current Practices will continue to be maintained in the Book of Motions. Any other changes that may affect or impact a current practice or motion must be presented to the body of District4 General Services for approval.

PROPOSED PROCEDURE

The Current Practices Committee is a non-budgeted committee. The committee holds a minimum of quarterly meetings to conduct its responsibilities. It reports activities to the District Committee and provides the Treasurer and the District committee with any requests for funds. Chairperson attends Area Quarterly/ Assemblies.

Book of Current Practices
District 4, Area 15, South Florida

BACKGROUND

The current Scope and Procedure only permits the Current Practice Committee to make grammatical, numerical or punctuation corrections. Over the years the Current Practice document has come to include practices which are no longer performed, have been replaced by subsequent motions, or were one time event motions which should never have been included in the document. If this motion is approved it will provide a procedure to inform the Body of items requiring attention without imposing the burden on the General Service Body or the Committee to draft, present, and discuss by individual motion each item before action is taken. In this manner the Current Practice document can be quickly brought into accurate form and easily maintained for future Panels. The procedure will keep the Body fully informed of all revisions and as noted in the Proposed Scope said revisions, deletions, reaffirmations will be documented in the Recording Secretary's Minutes as well as in the Book of Motions.

To change the name of the Website Committee to the Technology Committee and to update the first paragraph of its Scope from: The Standing District 4 Website Committee is responsible for the creation and maintenance of the General Service District 4 website. The website shall be maintained in accordance with the AA Traditions and Concepts, and District 4's current practices. The District 4 website content targets those members of Alcoholics Anonymous participating in or interested in General Service activities.

to: The Standing District 4 Technology Committee oversees management of the dist4gsaa.org website and associated technologies required to maintain it. The committee investigates emerging technologies to provide guidance to District 4 regarding how technical innovation can further AA's primary purpose. The Committee members are available to the District Board and various committees to advise on the and implementation of technology to further District 4 General Service activities on request.

Background

The Committee's role has expanded beyond maintaining the district website. The Web servant has worked very diligently to enable hybrid business meetings, including advanced graphics and audio/video editing, and we have successfully supported the selection and installation of an online contributions management system. The Committee Chair and the Web servant have been asked for guidance on issues such as use of social media and Google Ads. Our society is becoming more technically advanced and so are the constituents of District 4. As a result, the various Committees of the District may want to leverage different applications and platforms to accomplish their goals. They will need guidance, which the current Website Committee is already providing.

APPENDIX 3 Fair Share Contribution Formula

The Finance Committee of 2001 recommended in April 2001 that this formula be entered into the Book of Resolutions and be recalculated on a yearly basis when new figures are available from the Area:

- Total yearly contributions to South Florida Area General Service by all groups MINUS total contribution of District 4 = Total contributions of all other districts
- (1999) \$42, 586.26 MINUS \$1,600 = \$40,986.26. (Therefore), 1,544 MINUS 109 = 1,445 Area groups (other than District 4)
- (1999) \$40,986.26 / 1,445 = \$28.36 per group. We want to match this “per group” contribution so we multiply by the total number of groups in District 4 and the result (in 1999) is \$3,091.70 (\$28.36 DIVIDED by 109) per year
- DIVIDE this result (\$3,091.70) by 4 and the final result (per Quarter) is \$772.92.

APPENDIX 4 Self Support Statement

Adopted July 21st, 2007

Self Support Statement:

Tradition 7 (first sentence of the long form)

The AA Groups themselves ought to be fully supported by the voluntary contributions of their own members.

According to Bill, “We cannot skimp when the Treasurer passes that hat. When we are generous with the hat we give a token that we are grateful for our blessings and evidence that we are eager to share what we have found with all those who still suffer.” (1)

“Every single AA service is designed to make more and better Twelfth Step work possible, whether it be a group meeting place, a Central or Intergroup office or the World Service Headquarters. Under our tradition of selfsupport *we are going to foot the bill.*” (2)

On behalf of our service committees that carry the message of hope to those that still suffer, please be generous. THANK YOU!
